Young & Independent Pty Ltd

Capability Statement

Company Information

Registration: 2012/063078/07

Founded: 2012

Managing Director: Fortunate Nonhlanhla Mngomezulu

Location: Govan Mbeki Region, South Africa

Classification: Young Female-Owned Enterprise (BEE Level 1-2)

Our Services

1. Landscaping - The Art of Terrain Transformation

From vegetation management to landscape architecture—we don't just cut grass; we curate ecosystems.

2. Corporate Catering - Precision on Every Plate

Corporate events transformed into culinary experiences. Service, time, convenience—executed with precision.

3. Construction - Building Foundations, Growing Communities

Infrastructure that respects the land while serving the people. Environmentally sound practices in every brick laid.
